STUDENT REFERRAL PROGRAM

A tuition reduction is provided for Horizon Christian Schools' families who play a primary role in the admission of new students to HCS. At the first contact with HCS, a new family has only to report that one of the school families was responsible for introducing them to the school. When the new family submits their completed student application forms, they then include a completed referral form. This will assure that the designated family(ies) receive the tuition reduction.

Tuition reduction is:

- \$1000 for new, full-time students in grades 1-12
- \$1000 for new, full-day kindergarten students
- \$500 for new half-day kindergarten students
- \$350 for new preschool students

This reduction applies to tuition only and occurs only for students whose application is received between January 1 and September 15. There are more guidelines and conditions associated with this program; these can be obtained by contacting school Admissions Coordinators. (Contact information listed on front)

NOTE: Families are responsible to read and comply with the financial policy which they sign as part of the admissions process.
