

ADMISSIONS AGREEMENT

Horizon Christian Schools

Horizon Christian Schools, (“School”) is a private learning community with a specific set of objectives. To achieve those objectives, the decorum and security of the learning community must be regulated. As a condition of admission, and to protect the learning environment of all students, School requires that you agree to the following:

1. Admission of my child is a privilege and does not constitute a “right to attend” Horizon Christian Schools and that admission may be revoked and enrollment terminated for cause, as determined by School’s administration.
2. Should my child persist in undesirable conduct or attitude as demonstrated by failure to regard or respect the guidance of teachers or administrators, enrollment may be terminated.
3. Certain actions, as determined by the administration, such as threatening or endangering another person, are of sufficient severity to cause immediate suspension (possible dismissal) of my son/daughter.
4. If at any time School’s administration determines that my actions, or my failure to act, reflect my failure to support school objectives, or reflect a lack of cooperation and commitment to the home and school working together, the administration has the right to discontinue enrollment of my son/daughter.
5. The determination of what constitutes grounds to terminate enrollment shall in each case be in the sole and complete discretion of School’s administration, and I agree to abide by any and all determinations made by School’s administration.
6. I will seek resolution of all grievances (student with student, student with teacher, parent with teacher, parent with parent) that may arise solely by means of the guidelines presented in Matthew 18:15-17 and Galatians 6:1-5.
